50X1-HUM

1. Tests with remote-controlled torpedoes have recently been undertaken at the Hellensee and Muggelsee, but have not been very successful. The reason is that too much electrical equipment is still missing. 50X1-HUM
2. Purchasers have been dispatched [redacted] to an unnamed electrical firm [redacted] in [redacted] 50X1-HUM
the hope of remedying these deficiencies.
